

MODEL 64 AIRLINE

BAGGAGE

SCALE

RUGGED MODULAR DESIGN conforms to a wide range of counter and architectural designs with standard off-the shelf components. Heavy duty 6400 series platform features 1 part in 5000 accuracy and capacities to 1000 Lbs (500 kg). The Pennsylvania Baggage Scale system provides more scale for less cost and greater flexibility for your most demanding requirements.

Stainless steel flush-mount display is ideal for customer viewing.

When Precision is Essential.
