- ✓ **Rugged housing with keypad operation**
- ✓ **Uses (3) AA batteries**

Totalcomp[®] Scales & Components

THS Hanging Scale

The Totalcomp THS digital scale is an economical weighing solution for general purpose weighing. The THS is available in four capacities with a measurement accuracy of 0.2% full scale. The scale features an easy-to-read LCD display that indicates measured values in either pounds (lbs) or kilograms (kgs). The scale can display the peak hold. You may tare weight up to 10% of the scale's rated capacity. Operation is simple using the integral membrane-style keypad. The THS is powered using (3) AA (1.5V) alkaline batteries. You may setup the scale to automatically turn power off after 3 minutes or 10 minutes of inactivity.

Specifications:
